Her only friend.

The standard way I draw Mayo is to start with the same face as Mahiru. Then I take the face according to my tastes make her even cuter than Mahiru! This is what I think as I draw her.

I took an entire week off.
.....
I wanna see Satomi-kun...
.....
munch
I would have never imagined I'd get the flu.
Rather, isn't it a miracle that it was just the flu?
If I saw him, I wonder if I'd be able to give him a proper reply...
I wanna see him but...

……
G-Good morning~
Ah, Yanase-san, good morning! Long time no see.
Long time no see.
rattle
I wonder if Satomi-kun's come yet.
Yanase-san came!
……
Mariya-san, good for you~
Riiiight? This is the first time in a whole week?
Alone the whole time, she looked so lonely, right?~

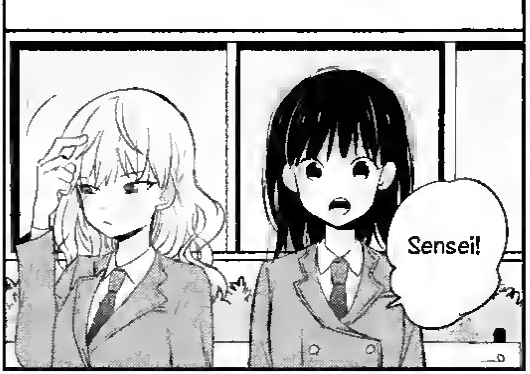
...Morning.
What are you talking about? Of course I'm fine.
M-moriya-san, good morning.
Are you okay?
rattle
Huh?
phew
Good, it's the usual Moriya-san.
U...mm. has Satomi-kun not come yet?
He's normally early.
Oh, if you mean him, then he's been off this whole time with the flu.
I-I gave it to him...
Huh.

……
……
Something bad happened after all.
……
What's with the face?
You really want to see him, eh?
You finally acknowledged that you like him?
If you'd like to talk about it, I'd at least be willing to listen.

But we really did meet before.
He had changed so much that I hadn't noticed.
...I kept on doubting Satomi-kun for the longest time.
I wasn't able to believe him.
Even though he was properly looking at me...

I'm a horrible person.
Hmmm,
Well, if you're worrying about it that much, then doesn't that mean you have some feelings for him?
...Yeah.
...I think... I like him.
I like him.

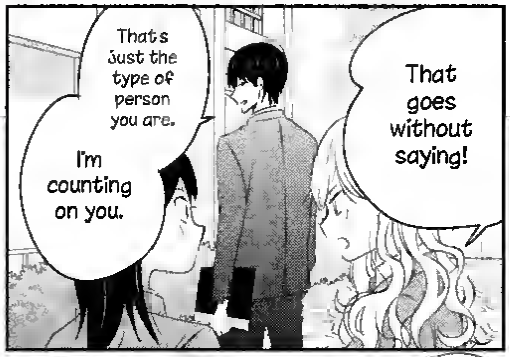
HUH?! WHAT?! THERE'S NOTHING MORE TO THINK ABOUT!
B-but...
Actually, I asked him for a little time to think about it...
I thought I had to be certain but...
Then you'll go out, right?
Isn't that great?
Uuh..
Oii, Yanase.
What's with that boring reason?
With me, whenever something good happens, something bad always happens.
Look at this time, let alone just catching a cold, I even gave it to him! At this rate, the world is gonna end!



Sensei!

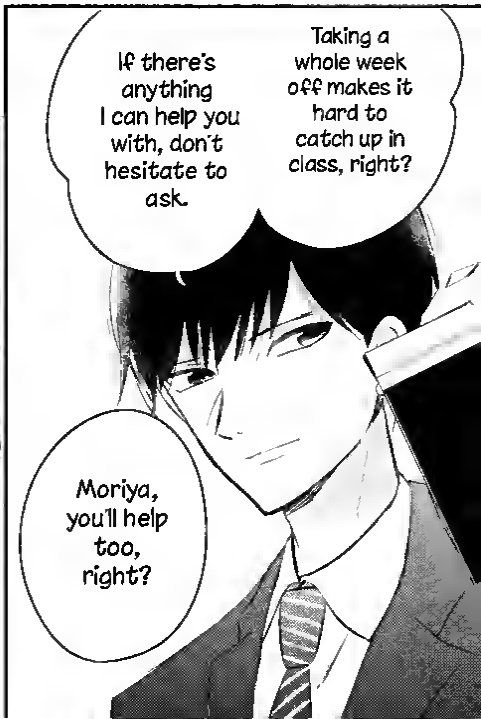
I'm fine! I won't infect anyone anymore!!
No, no, I was worried about your condition.

Has your condition finally improved?



That's just the type of person you are.
I'm counting on you.
That goes without saying!

Awe --
Isn't this normal?
He's such a good sensei...



If there's anything I can help you with, don't hesitate to ask.
Taking a whole week off makes it hard to catch up in class, right?
Moriya, you'll help too, right?

I just told you about myself so,
I wanna hear about Moriya-san too!
impressed
What about you? Even though you like him, you keep acting tough.
Even if he's normal, he's a good sensei without a doubt.
It's really obvious.
What are you talking about?
.....
I think you may of realized already but,
I am made fun of, right?

Really...?! I- I didn't notice at all...
Really? Well congratulations,
For being so engrossed in your own little world.
Well, it's not like I really need a reason for us to be together but,
my family managed a large company.
An ojou-sama?! You're an ojou-sama after all?!
But that's already in the past.
The business failed and it disappeared.
Huh...

At that time, the only one who always talked and listened to me was Sensei.
Ever since I was a kid, he had always helped me out.
He may have been my only friend but,
I've always liked him.
touched
...I see, so that's how it is.
He's a good sensei after all.
More like childhood friend.
HUU UUUUU UH?!

The other side has always seen me as a child and isn't aware of my feelings at all, he already has
And compared to that, you shouldn't have any problems whatsoever, right?
...Sorry ...Moriya -san.
..Sorry.
...Wait, why is it necessary for you to be the one feeling down?

Wai-
squeeze
Then, thank you, Moriya-san!!
Sorry for clinging to you
squeeze
Could you not take other people's stories so seriously?
Im okay already so,
.....
I- It's not like
Im going to say something like thank you' y'know. Im not gonna.

Moriya-san even talked to me about that.

When Satomi-kun comes to school,

I'll properly face him.

And properly apologize about the flu.

Moriya-san even went as far as to give me a push from behind.

I'll give him a proper answer.

Good morning! Long time no see.

Mahiru.

TENSE
TENSE
TENSE
H-He's hereeeeeeeee!!
Ah..... Ah.....
Sa-Satomi-Kun!
G... Goo... Good morning.
THE FLU! SORRY FOR GIVING IT TO YOU!!
fwap
Hm?
The virus that got you sick with; came from me.
I was home sick the whole time too.

We k-kissed too.
Because before we got sick, we were together the whole time.
?
Anyways, I'm sorry!
My little brother was the one who got the flu.
That's why Mahiru did nothing wrong.
Ah, that's a misunderstanding.
Huh?
I'm the one who has to apologize.

I like that part of you.
Mahiru doesn't blame others.
It's so embarra-ssing. I feel like the world's gonna end!
This is no good after all.
That's cute too, you know?
FWOOSH
And the fact that you're always quick to blush too.

No good?
Even though we haven't met in so long.
I want to see your face more.
I finally get a glimpse, a tiny one though.
sneaks
.....

With just a tiny nod, I moved forward before, yet,

Even though I decided to face him...

Why? Why can't I get rid of it?

SFX: DEPRESSED

SFX: DEPRESSED

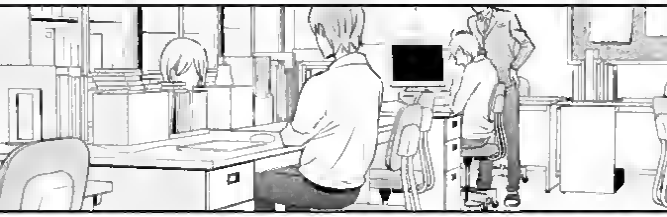
Sensei!
Oh.
What's this? You bought a convenience store bento? That's rare.
...Ah.
She found out I lost the ring.
Huh?!
O-Ohhh.
That certainly is a disaster.
Exactly.
Well then, be on the lookout for dropped articles.

Moriya-san, have you not returned the ring yet?
I-it's not like I plan on giving it back.
staaaaare
But sensei is troubled.
You're right...
Then
T-
HAAA?!
Then let's go return it together!
And if we do, then I'll properly tell Satomi-kun that I like him.
I have no clue what you're saying.
Could you not include me in this?

But if things go on like this, you won't be able to return it anymore.

.....

...That's true.



Where did you find it?
T... This is...

In the cafeteria!
Moriya-san found it for you!
Huh?
Wh-what are you...
Right?!
...!-
I found it by chance.
Kotone.
rattle
Sensei, don't call me that!
Thank you, Kotone!
Squeee
eeze
Hey-
W-what are you-

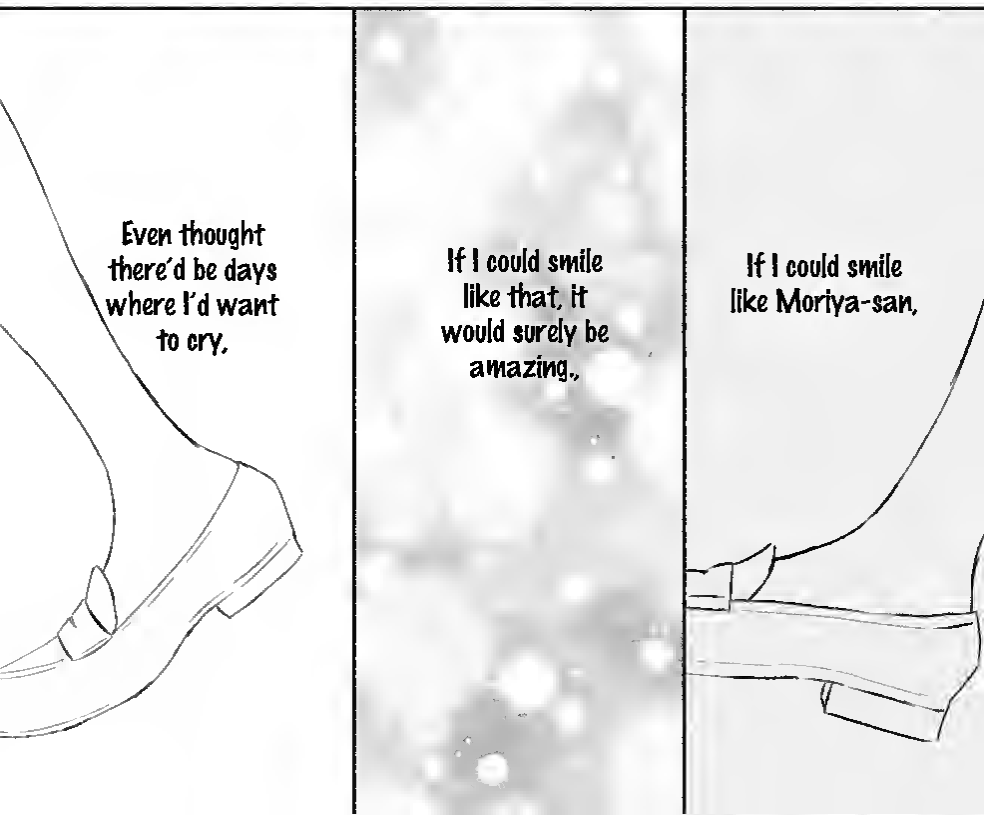
Thank you.
I'm truly grateful.
Just for now.
You've trapped me!
It's fine, it's fine!

He really is stupid!
Even though I was the one who hid it, for him to be so happy about it,
It's like he's an idiot.
Yeah, he has those childish parts to him too.
Yeah.
You kinda forget he's a teacher.
I thought about giving up on him but, I cant.
.....

Because the Mariya-san who's in front of Sensei
is really cute...
Yeah.
You don't have to give up.
But thanks.
Ugh, I'm sorry.
You know,
I'm cute to begin with.
If you've gone so far as to say that, then you can't stop moving forward either.

Do you plan to go through your whole life without liking someone?
If you go on like that, you'll never change.
Yeah.
You may be right.

Yeah!
That so? Good luck.
I'll pray for your success.
I'm going to go see Satomi-kun.



Even thought there'd be days where I'd want to cry,
If I could smile like that, it would surely be amazing.,
If I could smile like Moriya-san,

I still want to say I like someone.

Honest

Strong

Enough to change the world.

Mahiru?
...What's wrong?
...Ah...
Umm
I want to properly like him.
Sa-Satomi-kun!

Mahiru...?
for saying you like someone like me, thank you.
A-Again and again,
I was really afraid.
I was happy but afraid.
Yeah.
.....

If I was with Satomi-kun, I thought I could change.
But I wanted to change.
W-
Would you go... with me...?
I-
That's why...
I-If you're okay with me,

Yeah.
Thank you.
